TECHNICAL SKILLS

Excel: VLOOKUP, HLOOKUP, Formulas, Filtering, Sorting, Charts
Google Sheets: QUERY, Data Validation, Spreadsheet Design
Programming: Python, SQL, C++
Other: Power BI, Figma, Microsoft Office, Google Workspace

PROJECTS

Legal Research Database Developer | [Smith Immigration.] July 2025

- Designed a scalable Google Sheets database for immigration case research, organizing legal precedents across multiple topics and subtopics.
- Developed a searchable interface using QUERY functions, dropdown menus, conditional logic, and data validation to retrieve case citations, links, and decision dates.
- Delivered a client-requested solution within a 10-hour timeline and received positive feedback regarding usability and organization.

Hiring Process Analysis Tool | [University of Waterloo MSE 100] Sept 2026

- Developed an Excel-based hiring workflow tool using VLOOKUP, HLOOKUP, formulas, filtering, sorting, and charts.
- Structured applicant evaluation data and recruitment stages to support consistent candidate assessment and hiring decisions.
- Created automated spreadsheet logic to track applicant progression through the hiring process.

EXPERIENCE

Innovative Rhythm Dance Studios
Administrative & Operations Assistant June 2025 - August 2025; June 2026 - August 2026

- Maintained Excel-based enrollment records for approximately 100-250 students during registration periods.
- Updated class schedules, instructor assignments, pricing information, and course codes based on registration changes.
- Supported management decisions regarding class additions, cancellations, and scheduling adjustments through accurate record maintenance.
- Instructed and supervised children's dance classes while maintaining a safe, organized, and productive learning environment.

Leadership Overnight Camp
Senior Instructor & Co-Councilor of Dance Sept 2024, Sept 2025

- Led a team of **6** in planning and facilitating a week-long dance program for **100+ campers**.
- Trained **5 instructors** on teaching techniques, activity facilitation, and program execution.
- Coordinated activity logistics and daily delivery to support consistent programming throughout the week.
- Adapted activities for participants with diverse experience levels to promote accessibility and participation.
